Chairman's Note

*Well here we are again for the fourth of the Marreau yarns - this time involving a rather conspicuous **Bloody Carpet** !*

If you are a "regular" to this series of plays you will know the sort of thing to expect from the main characters - though you may notice a few changes - No Doctor Protheroe for example.

If this is your first Marreau, I hope you enjoy it and become one of our growing band of faithful supporters. This is our second full run in Pendley, our first being the D.F.C.

*Moby Dick double bill just before Christmas, but it's the first time for Marreau though we did do Marreau 3 here for one night in September. It's excellent being able to use this theatre and we hope to be able to put on many more shows here in the forthcoming years - not least the last two episodes of the Marreau hexology ! So watch out for "**Marreau and the Sword of Carthage**" this time next year.*

*Before that though, in the Autumn we intend to put on "**Blithe Spirit**" Noel Coward's amusing ghostly story. We look forward to seeing you then !*

Once again thank-you for coming to see this show - without your attendance none of this would be possible - not to mention being rather pointless !

*P.S. If you enjoy this show - tell your friends - **we need the cash !!!***
